

**RE: Sponsorship Request - 2025 Northwest Ontario Sled for Eternity  
February 8, 2025 - Best Western Plus Hotel & Conference Centre, Dryden**

Good afternoon,

I am excited to share with you that I will be participating in the annual 2025 Northwest Ontario Sled for Eternity fundraiser hosted by Adult & Teen Challenge. This event is close to my heart because it supports a mission that is incredibly important: **helping individuals in our community find freedom from addiction.**

Adult & Teen Challenge of Central Canada is committed to providing freedom from life-controlling addictions for individuals, families, and communities. Our holistic and intensive approach ensures each person's recovery journey is uniquely customized to meet their specific needs, aiming not only to break addiction but also to develop excellence and remove barriers many people are facing today. Newly launched this year have been our Youth Drug Awareness and Prevention Presentations, all designed to foster healthier, addiction-free communities.

I am reaching out to ask for your support in two significant ways:

1. **Financial Contribution:** Your donation will directly support the programs and individuals who rely on them. Every contribution, no matter the size, makes a tremendous difference in providing the necessary resources and support for recovery.
2. **Spreading the Word:** Please help us share this event with your network. By spreading awareness, we can reach more people and create a larger impact within our community.

Enclosed, you will find more information about different corporate advertising levels of support available for business owners interested in advertising and supporting our event. Your involvement as a donor, sponsor, or advocate is crucial to the success of this mission, and every dollar makes a difference. Invoices for business advertising or personal donation receipts are available for funds received.

This event is not just about riding sleds; it's about a cause, creating hope, and fostering a community of support. I am honored to be part of this effort and am asking you to partner with me in making a difference for our community.

Thank you for considering my request. Your support means the world to me and to the families who will benefit from these services. If you have any questions or need further information, please do not hesitate to contact me at \_\_\_\_\_.

Sincerely,

---

Registered Fundraising Rider
